SUMMARY

I am a senior graphic designer with 7 years of experience in a diverse range of design and illustration work. My skills and experience range from elegant promotional graphics to hand drawn illustration. I work with a range of businesses including start-ups, established brands, agencies and entrepreneurs from all over the globe.

I have expert skills in software such as Adobe Illustrator,cinema 4d, blender, Adobe Indesign, Adobe Photoshop and Corel draw. I have a natural eye for design and the professional skills to carry your vision from concept to finished artwork, whether it be for print or web.

My consistent track record for delivering innovative, beautiful and professional visual design is guaranteed to bring my clients fantastic value to their business each and every time.
